

## BANQUET ORDER FORM

All coaches and athletes are to attend the banquet. This is a mandatory function as part of the championship. Appropriate dress is required. Dresses, skirts, or pant suits should be worn by the athletes and shirts and ties for males. **NO JEANS OR TRACK SUITS WILL BE PERMITTED!** Athletes will be asked to leave if the dress code is not followed.

This year due to limited space at our facility, we are limiting teams to a maximum of fifteen people attending the banquet. In the event that some teams do not use their full allotment of seats, these seats will be available for schools who may have more than fifteen people. This will be a last minute decision as we will be getting this information the Saturday before the championship. I will do my best to contact you in advance, but these seats may only be available when you arrive.

Thank you for your understanding in this matter.
