

OFSAA TEAM PHOTOS

NOTICE:

There will be a professional photographer on site taking **team photos** and **individual player photos** shortly after your arrival on November 30th. Identification cards will be required and produced on-site for the tournament for each player at this time.

Teams will be photographed in front of the OFSAA banner, and each team photo will have your School Name, Team Name and Year embossed on them. These photos will make a wonderful keepsake of this tournament and we have secured a great price based on purchasing one for each player on the team. Also, when the whole team buys a photo for each player – your school will receive a complimentary 10"x13" enlargement for your archives.

Please fill out this form and bring along cash, visa or ONE cheque (*payable to "PhotoVisions"*) for the total amount to be presented to the photographer at time of photography. Photos will be printed shipped to your school within 10 days.
